

Pay Bar Hire

We would **Love** to be able to say that everything is **Free**, but we cannot and those companies that do will be out of business soon. Some will offer you a Free Bar and then attach options of a minimum amount of people or load their drinks prices.

What we can say is, we will structure a package that overall will be at least as good, if not better than anyone else can offer.

With our Pay Bar we work on a minimum spend which is the fairest system, as each event is different so the minimum spend varies taking into account what you want, what is needed and the number of guests attending. In some cases the minimum spend would be **No Charge**. **Contact us** to see if you are eligible for a **Free Bar** package

In most cases the list of what we supply would include the following:

- 1500mm(5ft) full LED **Bar Counters** with Stainless Steel tops.
- Branded **beer dispense units** with 3 taps each. Up to 10 products.
- Chiller or Flash cooler fully setup to ensure the beer is served cold.
- **Back of Bar units** with full LED lighting.
- Double door Back of **Bar fridges** with sliding doors.
- Full LED **Poseur tables** (subject to space).
- **Optics** and Bottle Holders, either attached to the Back of Bar units or Freestanding.
- Ice buckets and condiment holders.
- **Free Ice** and condiments.
- **Free glasses**. Either glass or tough reusable polycarbonate glass. No breakage to clean up.
- **Friendly Staff** to man the bar and clear up glasses off tables.
- TEN's licence (required when selling alcohol) included.

There are a few things we need to point out:

- It is your day and you get to choose the drinks and equipment you need, we can give you recommendations but you have a choice of draught beer, wine and spirits including mixers, cocktails and cool drinks all at very reasonable prices.
- We will apply for the TEN's license 21 days before the event.
- If you and your guests spend less than the minimum spend you would need to pay the balance.
- Glasses are Free to Hire but are subject to a Breakage or Lost Fee. We have a choice of glasses which can be either glass or polycarbonate glasses (unbreakable so there is no glass splinters left, therefore not a hazard on dance floors.)
- We hope we have covered most areas please contact us if you need any clarification or you have any questions.
